

MELECS EWS GmbH firmly believes that taking proactive steps towards sustainability is not only essential for the environment but also aligns with its values and responsibilities as a responsible corporate entity.

Through innovative practices and collaborative efforts, MELECS EWS GmbH is determined to make a positive impact on the planet and contribute to a greener and more sustainable future for all.

**Our contribution is to become
NET ZERO by 2050.**

In order to achieve this goal, our company has committed to reducing its absolute CO₂ emission by 2030 compared to 2023 baseline:

**50% in SCOPE 1 + SCOPE 2,
15% in SCOPE 3**
